Re: Ex Parte Presentation in MB Docket Nos. 04-55 to 04-66 and 04-68 (Digital Output Protection Technology and Recording Method Certifications: All Technologies and Recording Methods); MB Docket No. 02-230 (Digital Broadcast Content Protection)

Dear Ms. Dortch:

This is to notify the Office of the Secretary that on July 26, 2004, Brad Hunt of the Motion Picture Association of America, Inc. ("MPAA"), and Jon Baumgarten of Proskauer Rose LLP, made an *ex parte* presentation by teleconference to the following Commission staff: from the Media Bureau, Rick C. Chessen, William Johnson, and Susan A. Mort.

The presentation addressed issues raised in the letters filed on July 22 by the MPAA and others in the above dockets, concerning system renewability messages, and in MB Docket No. 04-66, concerning Microsoft's submission of "future" or "subsequent" versions of Windows Media Digital Rights Management Technology for approval. In accordance with Section 1.1206 of the Federal Communications Commission rules, one copy of this notice is being filed electronically.

Sincerely,

Bruce E. Boyden
